

Cambridge Secondary 1

Cambridge Secondary 1 is typically for learners aged 11 to 14 years. It builds on the foundations of Cambridge Primary, although it is not essential to have completed that stage before beginning Cambridge Secondary 1.

Cambridge Secondary 1 develops learner skills and understanding in English, mathematics and science for the first three years of secondary education.

It provides you with a flexible framework which you can use to develop a curriculum that is tailored to your needs. Cambridge Secondary 1 provides excellent preparation for Cambridge Secondary 2 and other educational systems.

Cambridge ICT Starters

Information and Communications Technology (ICT) is now part of the educational experience worldwide. It is regarded as a new 'literacy', alongside reading, writing and numeracy.

Cambridge ICT Starters introduces learners, within Cambridge Primary and Cambridge Secondary 1 stages, to the key ICT applications they need to acquire that literacy and to understand the impact of technology on our daily lives.

Classroom support for teachers and learners

A range of support resources is available for Cambridge Secondary 1 to help teachers plan and deliver English, mathematics and science. Resources are also available for Cambridge ICT Starters. Teachers can access these resources once their school becomes a registered Cambridge school.

Our assessments

Many schools use the Cambridge Secondary 1 testing structure to assess learner performance and report progress to learners and parents. Cambridge Secondary 1 assessment uses internationally benchmarked tests, giving parents extra trust in the feedback they receive.
